Dear Mr. Quinn:

As has been their procedure for several years past, the Medallic Art Company have offered to strike for our collection examples of medals made by them during the past year, provided we can obtain the permission of the artist to have this done. Included in this offer is the William Francis Kenny Medal designed by you. If you do not feel you can authorize this action on the part of the Medallic Art Company, will either obtain permission from those who are responsible for this medal or send me the name of the individual to whom an application for having this done should be sent.

We shall appreciate your cooperation in this effort to have our collection of medals by American artists as nearly complete as it can be made.

Very cordially yours,

Secretary

New York.

Dear Mr. Noe.

Application for permission to reproduce the William Francis Kenny medal should be made to Mr. Kenny - whose address now is - Roney Plaza Hotel -
Miami Florida.

I understand the dies are in his possession so he would have to authorize the Medallic Art Company to get them, probably, from their office in New York. However, I believe he has some extra copies and he might be willing to let you have two of them if it were suggested to

him. I think it better to have you apply directly to him rather than through me.

Very truly yours

Edmond Dunn.

Mr. Edmond T. Quinn,
207 East 67th St.,
New York City

Dear Sir:

Our Museum makes an effort to secure specimens of the important medals issued in this country and our attention has been drawn to the one designed by Mr. Edmond T. Quinn for you. Possibly you may contemplate presenting a copy for our collection, but if not, may I say that we shall be very glad indeed to have you do so. If it were possible to show obverse and reverse of the medal, it would be much more satisfactory. The Medallic Art Company have offered to bear the cost of striking the medal, if we may obtain your permission.

I trust this request may receive your favorable consideration.

Very truly yours,

Secretary

Dear Mr. Quinn:

For a number of years, the Medallic Art Company have offered to strike for our museum collection, specimens of the medals which have been issued by them, providing we can obtain permission either from the artist, or the organization responsible for the medal. We should particularly like to have a copy of the medal designed by you for the Irving T. Bush medal. If you do not feel that you can authorize the striking of such a specimen, will you kindly refer me to the individual who would have authority to grant this request.

Trusting that we may count on your cooperation, I beg to subscribe myself,

Very truly yours,

Curator.
